## Never be alone / Songtext

### Intro instrumental (17 Takte)

#### **Strophe 1:**

So many nights I'd sitting by my window  
 waiting up for someone to sing me this song.  
 So many dreams I kept deep inside me  
 Alone in the dark but now you've come along to me:

#### **Refrain:**

Love, this is my song, this is my song for you  
 cause I love you so much  
 and yes it's true, really so true you're in my heart alone  
 you're my one, one and only love  
 and the world can't be wrong,  
 yes and the world can't be wrong  
 if in this world there's you and me and this kind of love.  
 You light up my days and you fill my nights with joy.  
 Never I will be alone again forever.

### Zwischenteil instrumental (20 Takte)

#### **Strophe 2: ...wie Strophe 1**

#### **Refrain / Tonartwechsel:**

Love, this is my song, this is my song for you  
 cause I love you so much  
 and yes it's true, really so true you're in my heart alone  
 you're my one, one and only love  
 and the world can't be wrong,  
 yes and the world can't be wrong  
 if in this world there's you and me and this kind of love.  
 You light up my days and you fill my nights with joy.  
 Never I will be alone again forever, forever - ever.
